

DE LA SALLE HIGH SCHOOL

THE CHRISTIAN BROTHERS HIGH SCHOOL ON THE AVENUE SINCE 1949

September 11, 2022

Dear Students,

Wow!!! What a great game on Friday night! Congratulations to the football team for that show of determination and perseverance. Cavalry, band, cheerleaders, color guard, and Cavalettes, thank you for your support throughout!

As we start this week, please make a priority of checking your progress reports. Teachers will be submitting those on Monday, and you should see those posted in Plus Portals by Tuesday.

These are not official grades, and really should be no different than what you see posted in the regular Plus Portals updates. However, this is designed as a chance for you to get a clear picture of where you stand at this point in the quarter, and we are right at the halfway mark. Make a goal to improve in each of your classes-- either aiming for the next letter grade or strengthening your average so you can maintain the A or B you may already have.

Reach out to your teachers first, then Mr. Jutzi or me if you need any extra support.

Please see below for details on this week.

This week's schedule- A Week

On Tuesday: Principal's Assembly- After A Period, two lunches, no IWP

On Friday: Maroon and White Dress Down

All other days are on a normal A Week schedule including a 2:00 dismissal on Wednesday and IWP on Friday.

Balfour Meeting for Juniors and Seniors- Tuesday, September 13th

Juniors will meet in the CAVS Center at the start of D Period, and seniors at the end of D Period on Tuesday. Balfour will be providing information about the process for ordering senior rings and graduation announcements. Orders will not be placed until the following week.

Service Club Fundraiser for New Orleans Women's Shelter

The Service Club is helping sponsor a picnic for the Women's Shelter and will be collecting donations to purchase those supplies this week.

Please bring in a couple of dollars to contribute to this. We will be collecting during A Period classes this week. The top three classes will get an early dismissal to lunch (and possibly some of Ms. St. John's brownies!) and, of course, be supporting an important cause.

College Admissions Updates

- Please remember to sign up for college visits on our campus two days before the visit. You can sign up on SCOIR, and you should regularly check the calendar, as Ms. Simmons will be adding more visits as she receives confirmation. If you need any help, please reach out to Ms. Simmons and she will be happy to explain the system.
- Members of the Louisiana Congressional Delegation will be hosting a Service Academy Day event on **Saturday, September 24 at the Capitol Park Museum from 8:30 AM to Noon. A flyer with all the necessary information is attached.** It will primarily be for students in South Louisiana outside of the New Orleans metropolitan area, but also for students across the state who couldn't make one of our Service Academy Day events in the spring or became interested in attending an Academy over the summer. **Students of any high school grade can attend.** You can call 225-929-7711 or see Ms. Simmons for more information.

Hope you have enjoyed the weekend! Look forward to seeing you all tomorrow!
