THE CHRISTIAN BROTHERS HIGH SCHOOL ON THE AVENUE SINCE 1949

## Financial Aid Frequently asked questions:

### **What is the total amount that I must finance through a GCB loan?**

You are able to finance tuition and enrollment fees as follows:

8 <sup>th</sup> grade student:	\$12,055
9 <sup>th</sup> grade student:	\$11,955
10 <sup>th</sup> grade student:	\$11,955
11 <sup>th</sup> grade student:	\$12,055
12 <sup>th</sup> grade student:	\$12,180

### **Can I finance the \$600 registration fee over the 11-month period?**

No, the non-refundable \$600 registration fee must be paid to secure your child's place in the 2025-2026 school year.

### **Can I pay off the entire remaining balance prior to the start of the school year if my child receives aid?**

Yes, but any family receiving aid of any kind cannot receive the "full pay" discount. Only families NOT receiving aid are eligible for that discount.

### **When is the deadline for enrolling in an 11-month loan with Gulf Coast Bank?**

Friday, April 25, 2025

### **What happens if I do not enroll in the 11-month loan by April 25?**

You have another (approximately) four weeks to enroll in the 10-month loan at a higher monthly rate.

**When I enroll for the loan with Gulf Coast Bank (GCB), will the amount that I sign up for reflect the total of tuition and fees or will the amount already reflect and be reduced by any aid received?**

The loan you enroll in WILL NOT reflect or be reduced by any aid received. **You are signing up for the full tuition and fees.** Once you do so, the school will be notified, and we will then adjust your account to reflect the inclusion of the received aid.

**Why is the GCB telling me the loan amount is the full amount of tuition when De La Salle has already notified me that I am receiving financial aid?**

Based on the GCB process, you must enroll in a loan for the full amount. HOWEVER, once you sign up with GCB, De La Salle is notified, and we will then adjust your account to reflect the inclusion of the received aid.

**When will the total amount of the loan be reduced by the school to show aid received?**

The total amount of the loan will be reduced by the school to show aid received approximately one week after you sign up for the loan. **Please note, for families receiving TDC grants (ACE, ARETE, Son of a Saint, Aspiring Scholars), this reduction may not be reflected until that grant is awarded in mid-to-late summer.**

**When will I learn if my child has received a TDC Scholarship from ACE or ARETE, etc.?**

Notifications of awards are usually made during the summer and sometimes not until August. If you have received a TDC in the past, and you have not had any significant income change, it is likely that you will be awarded the same TDC if you completed the application for this school year.

**I have applied for LA GATOR. When will I be notified if I received this and the amount of the award?**

We are unsure when families will be alerted, as this is a first-year program. Please click [here](#) to access the LA GATOR website for more information.

**If I receive LA GATOR funding, what is my next step?**

1. You still must enroll for your full tuition and fees with GCB, less the registration fee (totals noted above based on grade level).
2. Please reach out to Mr. Don Stout or Ms. Corinne Hebert at the contact points listed below for further information and to alert the school that you have received this funding.

(Please note that LA GATOR funds are delivered to parents, not to the school. Unlike for ACE and ARETE and other TDC awards, the school WILL NOT reduce your total tuition and fees prior to you turning over LA GATOR funds to the school. Once you receive LA GATOR funds and make payment to the school, you will then see the appropriate reduction in your balance.)
